Really pleased for Vale of York with their OFSTED report which was published this week.

As a school they really work hard to support all the primaries in the area.

Well done from everyone at Lakeside!

Thank you also to Manor Cof E for giving Lakeside pupils the opportunity to sing with them at their carol concert in the Minster.

It was fabulous!

Team Scaymore

Miss Thompson will be sadly leaving us at the end of term as she takes time to work on other projects including work on her new house. Miss Thompson has been part of the Ebor and Lakeside family for a number of years. Initially working at Robert Wilkinson Primary Academy then successfully securing her first teaching post at Lakeside in September 2016.

I am sure you will want to join me in wishing Miss Thompson all the best for the future and thank her for her hard work and commitment to the children of Lakeside.

Parents /Carers

There have been a number of reports brought to the Police attention with regards incidents happening between children from Lakeside School over the internet, via Social Media apps on their mobile phones and also misuse of their mobile by prank calling.

Please can I remind parent/carers that it is your responsibility to monitor both your children's internet activity, but also what they are accessing via their mobiles.

There are age limits for all Social Medias including WhatsApp (Age 16) – If you are unsure what the age limits are you can find these on www.net-aware.org.uk along with safety advice on social medias, apps and games.

Children are encouraged to use the internet in a safe and sensible manner; however some have chosen not to do so. Please note that alongside school we will be taking these matters very seriously.

Regards

PCSO Laura Harper
Primary School Liaison
