A MESSAGE FROM MRS HAYES-SMITH

The sun has definitely been shining this week and put a smile on everyone's faces. It has been really pleasant welcoming everyone into school each morning and receiving a cheery greeting in return. Throughout the week we have had the pleasure of welcoming into school different specialists to enable the children to have a range of opportunities.

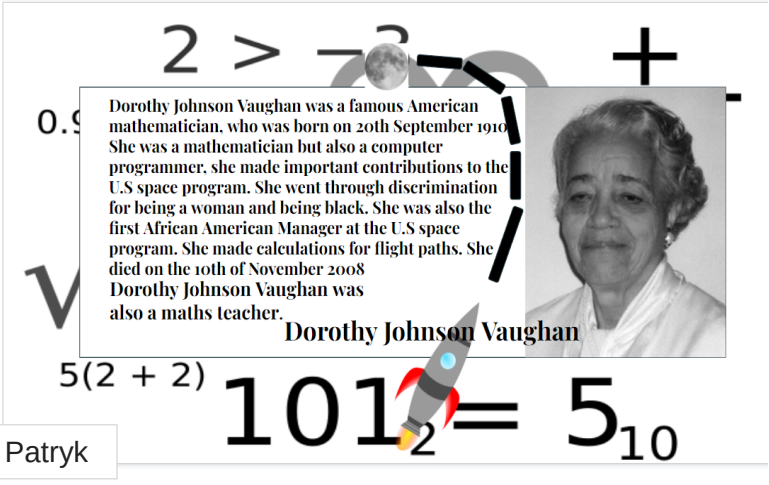
On Monday all classes took part in sessions with Chris from the Skipping School which promotes Fitness through Fun for Everyone! They show how skipping skills learnt today will last a lifetime & lay the foundations for better health, fitness & self-esteem! We ended the day with a whole school assembly outside with lots of demonstrations. It has been fabulous to see children using what they have learnt throughout the week at break times and lunchtimes.

Also on Monday we had the second session with the balance bikes. Children have been whizzing up and down the playground, weaving in and out and ducking under poles. Balance bikes are a great way to start riding a bike and the children have loved the experience.

WORLD MATHS DAY

On Wednesday it was World Maths Day and the classes spent time researching and creating a piece of work based on a famous mathematician. We have really enjoyed finding out about these mathematicians, looking at who they were and what they achieved in the world of maths!

- Albert Einstein
- Srinivasa Ramanuian
- Dorothy Johnson Vaughan
- Caroline Herschel
- Alan Turina
- Katherine Johnson
- Joan Clarke



Patryk

Lakeside is a nut-free school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.
