Year 4	Textiles

Create (and use dyes) (1)	Make your own dye using water and other (possibly natural) ingredients.	
Decorate (with a needle / thread)	Add more detail to make your piece look better.	
Embroidery (2)	Embroidery is the craft of decorating fabric or other materials using a needle to apply thread or yarn	Grades (of needle)	There are many different size of needle, with different sizes of eye too.	
Overlap (3)	Putting one piece of fabric over another, creating interesting, textures and effects	Record (ideas) (4)	Use your sketchbook to make notes and annotate as you are working with fabric.
