A message from the Head of School...

This week a lot of our Year 6 children have been on residential at Low Mill. They have had a fabulous time and experienced new things! The positive comments that we have received have been amazing and they definitely made Lakeside proud. I think they are ready for a rest.

A group of Year 6 children have worked really hard this week with Mrs Reed and Mr Bamford. As a group they have created amazing Anderson Shelters, had great conversations and lots of fun.

Finally we need to say **well done** to Mrs Seymour and her team who were successful in getting a 5 star rating in a recent food hygiene inspection.

I hope that everyone has a well deserved rest next. That if you are attending fireworks parties then you are safe and follow the firework code.
