

A message from the Head of School...

Starting on Monday every day in the month of February we will be exploring the theme of Diversity. We will begin to understand what diversity means for a member of the Lakeside Team whether big or small. Every day we will tweet about what we have looked at, so look out for #LakeDiversity.

Mrs Hayes-Smith

Lakeside Parent Forum

We are looking for a representation of parents across the school that would be able to offer opinions and ideas as to help move the school forward. The Lakeside Primary Academy staff team work incredibly hard to create the best opportunities for learning for all our children however we are always keen to improve the quality of the education and experiences we offer.

We would aim to meet at least 3 times a year, time to be confirmed, to share and talk through ideas. We would like representatives from each year group and across our wide community as we all have different perspectives.

If you are interested email slt.lak@ebor.academy by Friday 14th February. We aim to let those who will be part of the forum know by Friday 28th February, with the first meeting in the week commencing 9th March. If we are overwhelmed with volunteers we will aim to ensure there is a broad representation.

Many thanks

Attendance Update

Our School Target is 97%

This week our attendance was:
96.1%

Our attendance this year so far is: 96.13%

The winners this week are...

First Place: Team Hazel
with 98.78%

Second Place: Team Fir
with 97.31%

Second Place: Team Maple
with 97.31%

Key Dates

Please come into school if you have any difficulties

It's a boy!

Miss Pillinger had a little baby boy called Ralph on Wednesday 29th January.

All doing well!

Next week's 'Word of the Week' is...

Petrified

Miss Pillinger,
English Lead

Lakeside is a nut-free school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

E-Safety

Safer Internet Day

Safer Internet Day is on the **11th February 2020**.

Safer Internet Day 2020 will be celebrated globally with the theme: Together for a better internet.

Safer Internet Day is designed to empower young people to take control of their digital lives. For 2020 the focus will be put on online identity, and asking young people to consider whether they and their peers are truly free to be themselves online.

In school we will be taking part in a range of activities centred around this theme. Please ask your children about what they have been learning. By opening up conversations around identity online, young people can be inspired and empowered to support each other in a digital world.

Mrs Wade, Computing lead

Playground before and after school

Please can I remind you that bikes and scooters should not be ridden on the playground before and after school. There are lots of little children who could easily be knocked over. Also please can you encourage your child not to stand on tables or benches as it doesn't then make it pleasant to sit at as they are often muddy. Finally many children think it's okay to climb over the fences whilst playing tig. As they are rushing and not taking care it is likely that we will have an accident before long.

updates: WANTED!

Gently used uniforms and Fancy Dress!

The Lakers will be hosting a pop up shop on the playground to sell gently used uniforms and fancy dress at deep discount prices.

But we need stock - have a clear out and bring your pieces to the office. Collecting will end on 5th February.

This week's Tweet of the week is Team Maple

Thanks for letting me come into school to provide some Circus Science fun looking at the invisible force of gravity! If you have a chance ask any year 4 or 5 student and hear what they unexpectedly discovered!
