

Year 3 Lakeside Primary Learning Challenges

Maths	English	Science	History/Geography	Creative
<p>Have a go at playing some of these maths board games</p> <p>http://www.mathematicshed.com/uploads/1/2/5/7/12572836/21funmathgames.pdf</p>	<p>Write a persuasive advert to persuade others to buy your brand new chocolate bar.</p>	<p>Have a go at one of our sensational Science challenges.</p> <p>https://mommypoppins.com/kids/50-easy-science-experiments-for-kids-fun-educational-activities-using-household-stuff</p> <p>What do you think is going to happen?</p> <p>What were the results?</p>	<p>Doctor Who arrives at your door with his TARDIS:</p> <p><i>“Which Era in prehistory is the best? The Stone Age, the Bronze Age or the Iron Age? We can visit the best one!”</i></p> <p>Tell Doctor Who which one you think is the best and why.</p>	<p>Research work by the artists Kandinsky. Look at his use of shape and colour.</p>  <p>Can you create a picture in his style?</p>
<p>Play one of these maths games each day from this website.</p> <p>https://matr.org/blog/fun-maths-games-activities-for-kids/</p> <p>All the instructions can be found on the site.</p>	<p>Find the definition of these words. Can you use them in a sentence?</p> <p>Brandishing, scornful, solemn, feebly and ignorant.</p>	<p>Have a look at this STEM learning and use some of the resources here.</p> <p>https://www.stem.org.uk/home-learning/primary#science</p>	<p>You are all so knowledgeable about the Stone, Bronze and Iron ages!</p> <p>Is there anything you still want to find out?</p> <p>Find out and present your work in a poster.</p>	<p>Think back to all our work on healthy eating. Can you design a healthy meal or snack for your family?</p> <p>Feeling brave? Have a go at making it! You might need some adult help for this.</p>
<p>Complete a shape hunt in your house. What 2D and 3D shapes can you find? What shape was the most common?</p>	<p>Write an alternative blurb for your favourite book.</p>	<p>Watch this fantastic video about 10 egg experiments you can try at home.</p> <p>https://www.youtube.com/watch?v=t4rKEfXFNd4</p>	<p>Create a family tree showing any siblings, parents or carers, grandparents, aunts, uncles and cousins you have.</p>	<p>Do you have any unwanted items laying around? (boxes, paper, toilet rolls) Can you use them to create an Iron Age Hillfort? What else can you make?</p>
<p>Go on TT Rockstars and Numbots daily.</p>	<p>Copy out a piece of a story or poem in your best handwriting. Remember your leading lines and ascenders and descenders.</p>	<p>Look outside at night time. Can you see the moon? Draw a picture of what it looks like.</p> <p>Keep doing this for 1 week. What do you notice?</p>	<p>Draw a map of the UK.</p> <p>Label as many places as you can, this may include: London, York or any other towns and cities you may know!</p>	<p>Visit the ‘Art for Kids Hub’ YouTube channel. It is full of fantastic step by step instructions on how to draw brilliant pictures.</p> <p>https://www.youtube.com/user/ArtforKidsHub</p> <p>Choose one and have a go!</p>
<p>Can you make some 2D and 3D shapes using materials in your home? Pencils, sticks, straw or even Lego are all great for this challenge!</p>	<p>Write a review of a film or TV show that you have watched this week. What happened? What was your favourite part?</p>	<p>Create a fact file about your favourite animal.</p> <p>Include information about its: habitat, appearance, diet and any fascinating facts.</p>	<p>Do you have any spare boxes laying around? (from trainers or shopping) Pick one continent and fill the box with as much information as you can about it. Countries, climate, wildlife, the possibilities are endless!</p>	<p>Filling up a whole A4 piece of paper, carefully draw a portrait of yourself. Remember the shading skills we have already practised.</p>
