

20th July 2021

Dear Parent / Guardian

Within this envelope you will find a copy of the Annual Report for your child. It is based upon all the work your child completed whether in school or during lockdown and key areas for development for next year.

There is also a 'self-assessment' report completed by your child which also reflects the work they are proud of, the work they do around key learning and life skills and a chance to set themselves targets for the future.

At Lakeside we want to ensure that every child is 'Ready to Learn' and work with the children to understand how they learn best. Therefore we have included a comment on this aspect. There is no Government expectation to formally report on attendance this year although we do monitor every child closely throughout the year. Looking forward to next year, being in school on time, every day, really supports your child's ability to be 'Ready to Learn' and I would expect you to support this.

PREPARATION FOR LEARNING:

	Behaviour	Effort
Exceptional	A role model for other pupils due to their excellent behaviour.	Goes beyond expectations in lessons and with home learning.
Good	Always meets the Lakeside expectations for behaviour.	Consistently good effort with all work set.
Room for Improvement	Occasionally misses learning opportunities due to behaviour.	Effort is sometimes good, but not always consistently applied.
Cause for Concern	Incidents of poor behaviour cause disruption for other pupils.	Shows a poor attitude in lessons or to home learning.

Lakeside has three core aims and values that we refer as our Virtues (**Respect, Self Belief and Resilience**) and form a core part of our Personal, Social, Health and Citizenship Education

These virtues are so important at Lakeside and developmental for our children as they move through school. Therefore, we include a section in your child's report to reflect how your child is doing and create discussion around 'how we show and carry out these virtues'.

PERSONAL, SOCIAL, HEALTH AND CITIZENSHIP EDUCATION:

	Respect		Self Belief		Resilience	
	Shows consideration	Works well in a team	Finds creative solutions	Tries new things	Perseveres	Improves their work
Always	✓	✓	✓	✓	✓	✓
Mostly						
Occasionally						
Rarely

Gradings

There is no Government expectation to report levels or grades to parents this year, due to no national testing in any year group and of course a period of lockdown this year.

However, we at Lakeside think it is important to share information with you that helps celebrate achievements and be able to work together to identify gaps in learning and do something about them.

Your child's end of year report will have a **'best fit' teacher assessed attainment grade** - that is the attainment grade based upon the work and the tests the children have completed. There are inevitably going to be some curriculum knowledge gaps unassessed due to the spring term disruption and the level of catch up intervention that has been needed particularly in Maths and English this year, but we feel it is important to give a benchmark of where we feel your child is at, using everything at our disposal.

There may be some subject areas where only an effort grade will be given if it is felt that an individual attainment grade would be too inaccurate to give.

I hope that makes sense, you understand the process and it helps you to understand your child's report.

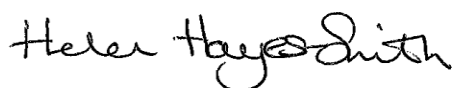

The table in the report is outlined below.

<u>Effort and Attitude Gradings</u>		
A - Above the expected standard of effort	B - Expected standard of effort	C - Below expected standard of effort
<u>Teacher Assessment Grading</u>		
WT - Working towards the Expected Standard	E - Expected Standard	GD - Above the Expected Standard

We will be sending a link via Parent Hub for you to confirm you have received your child's report. There will also be an opportunity to give us any comments or feedback relating to the school report.

As always we look forward to working with you next year, to help your child be the best they can be both in growing up to be proud, responsible citizens and proud of their achievements too.

Yours faithfully

Helen Hayes-Smith
