# Art Knowledge Organiser

| Year 3 | Printing |
|---|---|

| | | |
|---|---|---|
| (2 or 3) colour overlay (1) | Print something over the top of another print using more than one colour. | |
| Combination prints | A finished piece made of of prints created by different methods. Example a relief print combined with a block print. | |
| Impressed printing (2) | Impressed print - when the printing block is created by carving out the surface. | |
| Print (simple pictures) | Don';t be too ambitious with the image you want to create; master the printing technique and method first. | |
| Printing blocks (3) | Something solid and robust which you can easily hold when you are creating your impressed or relief prints. | |
| Repeating (pattern) (4) | A pattern where the same images repeat over and over. | |
