

A MESSAGE FROM MRS HADFIELD & MR GUNNELL

PE Update

It was a busy, 'sporty' term last term and we have had lots of active activities going on.

Here is a snapshot of what we have been up to...

YOUNG CYCLISTS

Just before the Easter holidays we welcomed former Olympic cyclist Phil Bateman and his company Pro-Ride cycling into school.

Children from Early Years and Key Stage 1 got the opportunity to take part in a cycling workshop and worked through a series of specially designed challenges and games whilst riding balance bikes and pedal bikes.

RED NOSE DAY RUN

Our school council organised a fantastic Red Nose Day Run where all the children had the opportunity to run a mile around the school grounds. Many of the classes partnered up and ran the mile together. Big thanks to Mrs Wakeley and the school council members for thinking of a great active way of recognising Red Nose Day.

Lakeside is a nut-free school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

SKIPPING WORKSHOPS

Last term we were thrilled to welcome back Chris Corcoran who came into school to deliver some skipping workshops. He had been into school earlier in the year and made such a great impact that we had to ask him to return to work with our other classes.

Children were taught a range of skills according to their own ability and Chris delivered the sessions in a fun and engaging way for everyone. At the end of the day we all went outside and demonstrated our new skipping skills to the rest of the school. It has been great to see the children practise their new skills out on the playgrounds to keep our break times active.

YORK DANCE 'FLASH MOB'

As part of the York Life festival, York Dance Space organised a Flash Mob dance in the centre of York. It was great to spot some children and staff taking part in front of the crowds gathered to watch and all involved had a great time dancing in the streets.

FOREST SCHOOL HAS BEEN EXTENDED

As you walk around the school at drop off or pick up times you may have noticed that our forest school has been extended. We have further staff training planned within our newly extended area as we look to make outdoor learning an integral part of our curriculum for all year groups.

Lakeside is a nut-free school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

AFTER SCHOOL SPORTS CLUBS ARE GOING STRONG!

After the struggles and restrictions over the last couple of years we are pleased to see our after school sports club thriving. It has been a joy to watch the children respond so positively to the after school sports clubs offers and get involved with a range of sports on offer.

Since Cycle 1 every Key Stage has seen an increase in participation levels.

See table below which shows the percentage of children who accessed a sports club during that cycle.

	Cycle 1	Cycle 2
Key Stage 1 (Years 1 & 2)	Multi-skills and football club offered	Dance and tennis club offered
	43%	49%
Lower Key Stage 2 (Years 3 & 4)	Dance and multi-skills club offered.	Football, gymnastics and dance club offered
	54%	63%
Upper Key Stage 2 (Years 5 & 6)	Football and dance club offered	Multi-skills, netball and football club offered.
	41%	55%
Whole school	47% of children have accessed at least one club this year.	67% of children have accessed at least one club this year.

LISTENING TO OUR PUPIL VOICE.

Information was sent before the Easter holidays about how we have responded to our pupils' voices about which sports they are interested in. We want children to form a love of sport and exercise so we understand it is important to find sports and activities that they are keen to try.

We have therefore tailored the curriculum to the best of our ability to take into account the children's opinions and hope they enjoy sport at Lakeside. If you are interested in looking at some local sports clubs then please see the Parent Hub message that was sent on April 7th.

Lakeside is a nut-free school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

BOWLING SUCCESS!

Before Easter a group of 12 KS2 children went to Ten Pin at Clifton Moor as part of an organised competition. They all did amazing and considering that some of the children had not been bowling before we ended up coming back to school as champions! Well done to all of the children who took part in this event.

The photos below the winning team and the trophy they brought back to Lakeside.

COMPETITIVE FIXTURES ARE BACK WITH A BANG!

As you may have heard or seen from twitter we are back playing competitive games against other schools! It is fantastic to see children wearing the Lakeside shirt with pride and also getting some fantastic results along the way!

Below are just a couple of teams who have represented the school so far this year.

We hope this has given you an insight into what has been going on within school.

We will continue to work hard to ensure children have access to a rich and varied curriculum and lay the foundations for a lifelong positive association with sport and exercise.

Mrs Hadfield and Mr Gunnell.
