Request for leave of absence

WHAT THE LAW SAYS:

Schools are regularly audited to ensure that they are following government guidelines and policies. Schools are ***not permitted*** to authorise leave of absence requests from September 2013, unless in exceptional circumstances. Family holidays taken in term time will not be authorised. The Government/Local Authority may fine parents who take their children out of school for family holidays.

For further information see [Working together to improve school attendance](#) 2022

There are clear links between children's attendance and their attainment. A child absent from school for two school weeks each year will miss the equivalent of two terms' education over their school career. This is a strong factor in seeking to reduce all avoidable absence.

Request for leave of absence

Dear Parent and Carer

I am writing to remind you of guidance from the Department for Education which impacts on the way in which any requests for leave of absence, including for holidays in term time, will be dealt with.

It is intended that this guidance should further reduce the amount of time children lose to holidays in term time. In 2018-19 of all absence in City of York primary schools, 17.9% was due to holidays being taken in term time whilst the national average was 14.5%.

Head teachers have clear guidance to say that they should not authorise any requests for leave of absence in term time unless in exceptional circumstances. It is for each head teacher to decide as to what circumstances they consider to be exceptional. However, things such as the cost of a holiday or availability of a particular holiday are not considered exceptional. There should be very few requests for leave of absence in term time that will be regarded as exceptional and therefore most requests will be declined and therefore marked as unauthorised.

Parents do not have an automatic right for their children to have authorised absence to go on holiday. Parents can be issued with a Penalty Notice if their child is absent from school for a holiday in term time which is not authorised by the head teacher. A Penalty Notice can require a parent to pay a sum of either £60 or £120. Each parent can be issued with a notice for each child so two parents with two children can potentially be issued with four notices.

If you wish to talk about this matter with me, please contact the school to make an appointment

Yours faithfully.
