

A MESSAGE FROM MRS HAYES-SMITH

# EGGSTRAORDINARY EGGS

This week the atrium has been full of fabulous egg creations! They have been absolutely amazing and so creative. Thank you very much to the Lakers for organising, supplying the prizes as well as an Easter treat for each child in school.

**Lakeside is a nut aware school**

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

# LAKESSIDE LEARNERS 50

Here's 50 things you'll do while you're at school here!

THIS TERM WE LAUNCHED OUR LAKESSIDE LEARNERS 50!

Together we have developed a list of 50 things that we expect every child to have completed during their journey at Lakeside from Early Years to Year 6. Each child brought home a postcard with the list on it.

Watch this space for more updates and photos!

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

## Mental Health

### What we are doing in Schools?

- Early intervention for young people in schools.
- Work with school staff to build a Whole School Approach to mental health.
- Act as a link between schools and local mental health services.
- Offer advice, support and signposting information.

The Well-being in Mind Team have been busy in school the second half of this Spring half term. At Lakeside School, we have:

- Delivered a self-esteem and resilience workshop for Year 6's over 4 sessions
- Delivered a self-belief and resilience workshop for Year 2's over 4 sessions
- Small group work emotional regulation
- Delivered Kindness sessions to Year 4's and Year 5's
- Started working with the 'Happy Helpers' (new wellbeing ambassadors)
- Direct work with young people and families

### Spring is finally here!

This means that we can say goodbye to dark nights, cold and damp weather, and that extra heating! Have you noticed all the lovely Daffodils that are in bloom as there are lots around York, so why not go out for a walk and take in notice of your spring surroundings! Spring is the perfect season to start to engage with the 5 ways to wellbeing. You can learn new skills by planting seeds and watching them grow. You could engage in physical activity such as walking and gardening. You can connect with others and nature by having family walks or days out to parks and other areas. You can also give to others at Easter by giving Easter eggs to friends and family! Why not see how many self-care activities you and your family can do this Spring that link up with the 5 ways to wellbeing!
