

A MESSAGE FROM MISS BRUCE AND MRS SHEPHARD

'MATHS WHIZZES'

On Wednesday, four children from Year 4 and 5 took part in a Maths competition at St Peter's School. The competition involved a number of rounds including making a poster about Roman Numerals, solving puzzles as a group, and a relay of short mental arithmetic problems. The children had a fantastic time and represented Lakeside brilliantly with their enthusiasm, resilience and perseverance.

Lakeside is a nut aware school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

RESPECT

SELF-BELIEF

RESILIENCE

On Wednesday a team of Year 5 and 6 girls took part in a girl's football festival at York St John with lots of other schools from York. They gave an unbelievable effort especially in the heat. They were outstanding from start to finish and each and every one of them performed brilliantly. To get beaten in the final on penalties isn't a nice way to lose but as a school we couldn't be prouder of them.

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

Mental Health

The things in our life that we run & hide from are the exact same things which end up consuming us. Stop running. Start looking, talking and healing.

WHEN FACED WITH A PROBLEM

Is there something that's helped you in the past that you could try again?

Is there anything you could do or change to make this easier?

Is there someone you can ask for help?

Is there somewhere you can look for ideas or solutions?
