

A MESSAGE FROM MRS HADFIELD AND MR GUNNELL

## 'ANYONE FOR CRICKET?'

This week we started our sessions with Joe Barr, Yorkshire Community Cricket Officer for York, We thoroughly enjoyed getting started and look forward to more sessions.

This week Team Willow, Team Fir, Team Ash, Team Maple and Team Elder all received their first week of cricket coaching by Joe Barr from the Chance to Shine Cricket programme.

Chance to Shine is a national charity on a mission to spread the power of cricket throughout schools and communities. The charity takes cricket to new places and uses it to ignite new passions, teach vital skills, unite diverse groups, and educate young people from all around the country.

Over 3.5 million boys and girls in more than 14,000 state schools are playing and learning through cricket today thanks to the Chance to Shine Schools programme.

Chance to Shine has launched a bank of free resources to help Primary Schools teach cricket on the playground and in the classroom. The resources use curriculum learning outcomes to improve children's physical and academic achievement. Joe will be working alongside the class teachers this half term and everyone involved is looking forward to this great opportunity to learn more about cricket.

## POKEMON AND FOOTBALL CARDS

Please can children not bring Pokémon albums/ folders or tins to school from Monday. We know that the collections can cost a lot of money and are very special to the children and this can cause issues. They can bring up to 10 cards with them if they would like to play and trade with their cards. It will be the child's responsibility to keep them safe. Thank you

Thank you

## NEW RECEPTION AREA

We are very excited to have moved into the new reception area and will no longer enter or leave the yellow doors at the front of school. If you arrive during the school day or you wish to speak to the school office then head to the double grey sliding doors and wait to be admitted.

The children will enter this way for choir on a Thursday morning at 8 am. At 8:45 am and 3:10pm the children will enter and leave the school building through their normal classroom doors, apart from Team Hazel and Team Maple who have their own separate entrances. Team Hazel new grey doors at the side of school and Team Maple double yellow doors at the bottom of school.

Breakfast Club and After School Club, CMOOSC, are arriving and leaving via the new entrance. Please make sure you call them to let them know you are there as a wifi bell will not stretch that far.

We are still getting used new routines and we may make adjustments so please bear with us. We are also waiting for furniture to arrive so will post photos when it is completed.
