

A MESSAGE FROM MRS HAYES-SMITH

'EBOR PUPIL PARLIAMENT'

Yesterday saw Lakeside's Pupil Parliamentarians, Elena James and Austin Bramwell attend a trust wide celebration. It was a fabulous event where the children all came together and discussed what they have done to lead their school in making a difference. Each school had recorded a video clip and it was brilliant to watch what everyone has been up to. We've definitely got some ideas for next year. I think everyone will agree that the highlight was the buffet along with a special goodie bag. Thank you to Miss Bruce who has supported the Pupil Parliamentarians this year with their leadership.

What we have done

By Austin and Elena
Lakeside Primary Academy

Assembly:

We did an assembly about climate change and how we can help as a school.

Lights

We did a competition for light switch covers.

We are going to start doing a no lights afternoon (inspired by a different school) and a no electronics afternoon.

Trees

We tried ecosia but we thought that it wasn't right for our school

Freya from ST NICKS came to talk about the green influencer project.

£360 funding for things like:
Bug hotels, bird feeders, gloves and trowels would be useful to go in the old allotment area.
A set of aprons and gloves x10

Lakeside is a nut aware school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

KINGS CORONATION WINNER

Back in May we took part in a competition to design a plaque to sit alongside a commemorative tree which will be planted in the autumn to celebrate the King's Coronation. We were delighted to share Lakeside's winner was Alisha in Team Elder. Recently we have received our plaque in school and will be planting the tree in the Autumn term.

Winners across the trust have received a smaller version of their artwork encased in a block of acrylic as a reminder of their achievement.
