

A MESSAGE FROM KEY STAGE 2

the vikings

This term Key Stage 2 are exploring the Vikings and their role in history. In the first week of the term they took part in a range of activities to 'hook' them into their learning. This display was the accumulation of the activities.

The key questions that they are answering through their learning are

WHAT WAS LIFE LIKE AS A VIKING?

WHAT WAS VIKING YORK LIKE?

Our class novels:

Organutans - 1000 year old boy

Rhinos - Viking boy

Turtles - Defenders killing ground

Elephants - There's a Viking in my bed

CONGRATULATIONS!

Henry James Fowler born 12th September 2023 at 22.30! Baby was 6lb 11ounces, and Henry and Mrs Fowler are both doing well! Enjoyed lots of newborn cuddles and hopefully a trip to school in the near future.

Congratulations!

Lakeside is a nut aware school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

Mental Health

8 WAYS CHILDREN CAN SUPPORT THEIR LEARNING

Try to learn from mistakes and plan how you can do things better next time

Try to make time to spend with friends and family

Try to learn something new each day

Try to listen when other people are talking about how they are feeling

Try to think of different ways which can help you learn

Try to show respect to other people whether you agree with them or not

Try to think of ways to be helpful to others

Try to be kind to yourself

SUPERVISED TOOTH BRUSHING PROGRAMME EYFS & YR1

The Oral Health Team have been asked to deliver a supervised tooth brushing programme in schools and nurseries throughout the Vale of York. The purpose of this programme is to improve the oral health of children by increasing their exposure to fluoride through daily tooth brushing in the school/nursery setting and promoting behavioural and self-care skills at home. The team must emphasise that this is in addition to brushing every morning and night at home. More information will follow.

Ruth Harrison Oral Health Improvement Practitioner will be available after school on **Wednesday 4th October at 3:15pm** for any parent that might want some advice / information on tooth brushing.
