

A MESSAGE FROM MISS BAMFORD

'EUROPEAN LANGUAGES DAY'

Tuesday saw lots of bright colours around school as everyone was celebrating European Languages Day by wearing clothes linked to a country or city. Children brought in artefacts or souvenirs linked to a country or city. Every day we have greeted each other in a different language.

Lakeside has been a burst of dance this week starting with the glorious Catherine and Darcey who came to help us launch our first European Language Day. Children throughout the school got to experience the Can-Can, a Schuhplattler and a Flamenco. They all thoroughly enjoyed it and we can't wait to invite Catherine and Darcey in again to teach us some new moves!

GOODBYE AND THANK YOU

To continue with our European theme, we have been lucky to have Austrian Students, Magdalena and Ilijana working with us at Lakeside for the last two weeks. They have been getting to know the children and what teaching is like in the UK. This week they have shown us a classic Austrian dance, as well as in some classes teaching some aspects of Austrian culture. We wish them well on their next chapter of their teaching journey.
