

## A MESSAGE FROM MRS HAYES-SMITH

It was really sad to hear about the death of Queen Elizabeth yesterday. In school today we took a moment to reflect on her life as well as thinking about a family that has lost a Mum, Grandma and Great Grandma.

In May we had such fun celebrating her Platinum Jubilee as well as learning a lot about her. And always at a time of sorrow remembering the good times can help us.

Best chance of success and gets your child off to a flying start!	Less chance of success and makes it harder to make progress.		It's just not fair on your child - and could lead to court action.		

Attendance at school is really important and it is essential that children attend every day whenever possible. We need to encourage good attendance and we will continue to monitor how we are doing throughout the year. Our first whole school monitoring point will be in the final week of the half term. At this point we will look at how everyone is doing as well as looking at punctuality. Our whole school and individual target is 97% and we really want to meet this target and appreciate your support. We will offer support to families where attendance is below 97% and encourage children to be proud of good attendance. You can monitor your child's attendance via the ParentHub app.

**Requests for leave of absence are only authorised in exceptional circumstances.**
