

A MESSAGE FROM MISS BRUCE

Team Turtles have been reading 'How to Train Your Dragon' by Cressida Cowell as their class novel. Over the past few weeks they have been learning to write instructions. Inspired by the first chapter of the book, they have written instructions for how to catch a dragon. As a treat for all their hard work this half term, Team Turtles and Team Rhinos watched the film adaptation of the book on Friday afternoon.

HALF TERM SAFETY

We have talked this week about keeping ourselves safe over half term.

- Trick-or-treating can be fun but you must always go with a trusted adult. You must never knock on a stranger's door alone.
- Always be respectful of those people who do not wish to take part in trick-or-treating or have asked for their door not to be knocked on. Some people find people they don't know knocking on their door worrying.
- Be aware of your surroundings. If there are candles, open flames or fires be careful and behave sensibly
- Be careful around fireworks, don't go near a lit firework.

HARVEST FESTIVAL

Part 3

Yesterday the Team Rhinos and Orangutans walked down to the church to share their rearranged Harvest Celebration with parents and carers. Children have been learning Harvest songs and understanding the importance of sharing.

We have given all our donations to the Food Bank. Thank you to everyone who has supported us and Mrs Marshall really hopes you enjoyed our singing.

Lakeside is a nut aware school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

BUG BUSTING WEEK – MONDAY 6TH NOVEMBER TO MONDAY 13TH NOVEMBER

As we shared in September we are having one week every half term which is called 'bug busting week'. Ordinarily it will be the first week of each half term. The approach has proved to be very effective in working towards the elimination of head lice from schools. We would therefore like to ask for your cooperation in introducing this regular event. We will occasionally also have one or two reports of head lice in school, so it is important to be vigilant. Also please tie up long hair as this helps prevent spreading them.

Bug Busting Week – What to do.

Please remember that we need every family to participate in order for our efforts to be effective.

Please proceed as follows:-

Starting from today, please check for head lice and eggs and wet-comb the hair of every member of your family at least once every three days for at least one full week.

Experts are divided as to whether wet-combing or chemical treatment is best but unless you find lice or eggs, it is better not to treat heads with chemical preparations.

If you are unfamiliar with head lice and would like more information or support about detection and treatment, please see Mrs Hayes-Smith or Miss Bamford.

ARE YOU A HERO?

**Here
Everyday
Ready
On time**

The first week back we will be holding our attendance raffle. Every day that you are in school on time you will be entered into the raffle.

There are 190 school days each year	181 days at school means	171 days at school means	161 days at school means	152 days at school means	143 days at school means
No lost learning =	.9 days of missed learning =	.19 days of missed learning =	.29 days of missed learning =	.38 days of missed learning =	.47 days of missed learning =
100% attendance	96% attendance	90% attendance	85% attendance	80% attendance	75% attendance
Good	Worrying	Serious Concern			
Best chance of success and gets your child off to a flying start!	Less chance of success and makes it harder to make progress.	It's just not fair on your child – and could lead to court action.

Mental Health

7 WAYS CHILDREN CAN BE HEALTHY AT HOME

-  Try to help out around the house
-  Try to notice how others are feeling
-  It's ok to ask for help if you need it
-  Try to talk to others when you can

-  Try to give others time for themselves
-  Try to get outside and be active every day
-  Be kind
