

## A MESSAGE FROM MRS HAYES-SMITH

This week KS1 and KS2 have taken part in the 'Into Film Festival' by visiting Vue to cinema to see a range of films. It is a great opportunity since we have the cinema right on our door.

### What is the Festival?

The 2023 Into Film Festival is taking place between 7-24 November, and will help educators bring learning to life for 5-19 year olds across the UK by inspiring young people to watch, understand and make film in new and creative ways.

The Festival programme features thousands of free film screenings, special events and previews, and interactive Q&A sessions with screen industry professionals, making it the perfect opportunity to support young people in enjoying the big screen experience.

The cinema trip was really really good! It was so much fun going to the cinema with my friends. When can we go again!

I loved going to the cinema!

It was unusual and fun because we don't often get to go to the cinema.

The film was really good. Puss in Boots was funny

It was really good because the movie was great!

It was really entertaining and amusing and fun to go as a whole class to the cinema

When can we go again!

I enjoyed it because it was different to what we normally do.

It was so much fun! Please can we go again?

## ARE YOU A HERO?

# Here Everyday Ready On time

Our winner from the raffle this week is

**Oscar Thomas-Machin**

Well done everyone we have had a really good effort with attendance and punctuality since September. We have regularly been above 96 % which is a great achievement. It would be fabulous if we could get above 97% which is our target.

**WHY EVERY DAY COUNTS**

Success at school starts with attendance

There are 175 non school days a year – that's 175 days to spend on family time, appointments, holidays, shopping and everything else.

There are 190 school days each year	181 days at school means	171 days at school means	161 days at school means	152 days at school means	143 days at school means
No lost learning =	9 days of missed learning =	19 days of missed learning =	29 days of missed learning =	38 days of missed learning =	47 days of missed learning =
100% attendance	96% attendance	90% attendance	85% attendance	80% attendance	75% attendance
<b>Good</b>		<b>Worrying</b>		<b>Serious Concern</b>	
Best chance of success and gets your child off to a flying start!		Less chance of success and makes it harder to make progress.		It's just not fair on your child – and could lead to court action.	

## ATTENDANCE CLASSOPOLY

This week we have launched our whole school Attendance Classopoly board to reward classes that are over 96%. The children have all discussed the rewards that they would like and there are a range of rewards to suit everyone. I wonder who will be first to move around the board!

### Rules of the Game

- Each class had their own monopoly piece
- Roll the dice if your class has over 96% attendance for the week.
- Have the reward that you land on.
- Collect money as you go, the class with the most money at half term will win a chocolate fountain treat

## Mental Health

# 8 WAYS CHILDREN CAN BUILD A DAILY ROUTINE

Try to wake up and go to sleep at the same time each day

Try to create a plan for each day including what you want to achieve and when

Try to tick off achievements on your plan as you go each day

Try to take responsibility for your actions and behaviours

Try to take breaks from screen time when you can

Try to think of fun new ways to be active each day

Try to create a space that helps you concentrate

Try to find time to catch-up with friends

## PARKING AROUND SCHOOL

We regularly remind parents, carers and visitors to our school about parking and ask everyone to be considerate. We receive almost daily complaints about this, with cars parked dangerously on corners, half on the pavement or on the yellow road markings. The council are regularly updated regarding the challenges parking around our school and will be increasing patrols. For the safety of children walking or cycling to school it is essential that we park safely and considerately. If there isn't space then park at the church or farm foods and walk. It is really important that we all do our part in this.
