

## A MESSAGE FROM MISS PILLINGER AND MRS WAKELEY

# Reading

This week we celebrated 'Readers of the Half Term'. These have really gone above and beyond with their reading and have made great progress. Along with their certificate, a choice of a book to take away they will enjoy a hot chocolate!

# World Book Day

Thursday  
7th March

We are pleased to inform you that as part of our continued drive to promote a love of reading in our children, we will be celebrating World Book Day on **Thursday 7th March**.

The theme is to 'Get Cosy With a Book'. The idea is they wear their pyjamas, dressing gown and slippers or a onesie for the day. However, if you would like your child to dress up as a book character by all means do so!

On the day, the children can bring their favourite book to share with a friend. Teachers will also swap classes and teach a reading session or story time to a different year group. In the afternoon, we would like to invite you into school, from 2.30pm, to participate in a storytime with your child/ children.

## EMBRACE THE ART OF STORYTELLING

We are thrilled to bring you two exclusive videos that promise to deepen your and your child's reading experience.

### 1. DRAWING WITH GUY PARKER-REES:

Join the renowned illustrator Guy Parker-Rees in a delightful session where he shows us how to draw Num Num Elephant. This interactive tutorial is not just an art lesson; it's a gateway into the world of creativity, encouraging your children to visualise and bring to life characters from their favourite stories. ### 2. STORYTIME WITH DERMOT O'LEARY:

Settle down for a captivating chapter from Dermot O'Leary's new book, Wings of Glory. His engaging narration brings the story alive, offering a perfect example of how a good book can transport us to extraordinary places. Listening to stories read aloud can be a powerful way to inspire a love of reading in children, showcasing the rhythm and emotion behind the words. Insert video.
