

## A MESSAGE FROM THE EARLY YEARS TEAM

# Our Piglets Trip

Team Tigers went to Piglets on their first school trip.

The opportunities for learning were endless. The children continued learning about 'Spring' and 'New Life'. The children used their gross motor skills in the play area, bouncy pillow and on the tractors. There was a lot of problem solving going on while we were at the Beach.

Piglets!

My favorite bit was the bouncy pillow because it was so bouncy. My favorite bit was the big big big big red slide because it was so fast. We went on a coach to piglets when we got at piglets we had a snack. I had fun super fun. I had fun on the tractor. I definitely had fun. I like the beach part. I like looking at the lambs.

The children were a credit to Lakeside and all had the most wonderful experience.

Piglets!

I liked the pitch. We went to piglets on a coach. We ate rasburi before we went to the hut. We went to the play park and I went down the big slide. I went to the tractor's first. I liked the play park because I went down the big slide. I liked the trip because it was good.

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

## A MESSAGE FROM MISS BRUCE

# Crime and Punishment

Team Turtles started their new History topic about Crime and Punishment by investigating the mystery – who stole our class turtle? We voted on who committed the crime, but only boys and those age 9+ had the right to vote. We discussed fair punishments looking at historic examples.

Enhancing children's quality of life through mentoring

This is a really worthwhile cause who would benefit greatly from the funds raised. Over the years Lakeside has benefited from the support of the island and we would really like to support them in return.

Have fun!

## Mental Health

do what you LOVE • have FUN with friends  
be ACTIVE • CELEBRATE what makes you  
SPECIAL • EAT healthy • take a BREAK • connect  
with others • give your TIME • help out  
SHARE a smile • SING • GIVE a hand • SLEEP  
do things BIG and small • be UNIQUE • feel  
totally free to BE SILLY • giggle & LAUGH

This week staff have spent time understanding and reflecting on their own wellbeing as part of whole school training.

We have looked carefully at how we are feeling and what we could do next using the analogy of a battery.
