

A MESSAGE FROM THE LAKERS!

What do the Lakers do?

The Lakers are such an important part of our community. As a group of parents, carers and staff they work incredibly hard to raise funds for additional activities as well as running events such as discos and the family fun day. However they cannot do this without your support.

We are really looking forward to Family Fun Day on **Saturday 29th June 11am to 2pm** and we just wanted to share what the school has used the money raised throughout the year on. We are very grateful for all the support that we receive from the Lakers and parents.

To make the Family Fun Day as successful as it has been in past years we really need your help. Please if you could give a little bit of time on the day we would be really grateful.

Lakeside is a nut aware school

Please can we remind you that there are several children in our school with serious nut allergies. Therefore, we kindly ask that you are extra vigilant when sending in food from home.

One of the most valuable ways that Lakers have supported the school is through giving each child £10 to towards class trips or experiences. This is how the different classes have used the money. If all the money has not been spent classes are still planning treats for in school.

Class	Use
Tigers	£5 for Piglets Trip - new life, habitats and physical development.
Leopards	£10 for Alfresco learning 'castles' workshop
Gorillas	£7.50 for Alfresco learning 'Seaside' workshop - Taking place this term
Elephants	£7 Jorvik Trip
Turtles	£7 coach to Jorvik and DIG Trip £3 for Indus Valley drama workshop day
Rhinos	£10 Jorvik Trip
Orangutans	£10 Jorvik Trip

Team Gorillas photos will be posted after their workshop

Non Uniform Day for Bottles

Friday 21st June

A non-uniform day in exchange for bottles for the bottle stall at the Family Fun Day. The children can wear their own clothes and bring a bottle for the Family Fun Day. It doesn't matter what is in the bottle, juice, fizzy drinks, tomato sauce, shampoo, shower gel, whatever you can spare. The more variety the more interesting the game on the Bottle Stall!

Ways To Support A STRUGGLING CHILD

Spend one on one time together.

Seek to find and address any root causes of their behavior.

Affirm what you appreciate about them. Be specific.

Be fully present when together.

Make connection the priority.

Teach coping strategies they can use in place of unacceptable behavior.

On this day all children are invited to come into school either dressed as their sporting hero, dressed in a sports outfit or just in their active wear.

During this day, with the help of Mr Walton, we will take part in a variety of sporting challenges all linked to a sporting event that is going on over the next few weeks. We are excited to see everyone being extra active that day and see all the wonderful sports stars on show!
