“ Make a difference every day! ”

Lakeside Primary School

16th October 2026

Year 6 – Brave, Bold and Ready for Anything!

As you will know, our Y6 class recently returned from their residential visit to Dearne Valley near Doncaster. The children were AMAZING and all of the adults they came into contact with were blown away by their resilience and bravery.

Some of the tasks gave them the opportunity to face fears, work as teams and try things that they had never tried before. Did they shy away? Of course they didn't! They grasped each challenge with both hands and loved every minute of it!

We thought that you would like to share in their success with a few photos...

If you need any help, feel free to contact school.

EBOR Goes From Strength to Strength

We are pleased to share the news that the Department for Education has now formally approved the merger between Ebor Academy Trust and Nexus Multi Academy Trust. The new Trust will be called Nexus Ebor Schools Trust (NEST), and we are working towards a merger date of September 2027.

The merger brings together Ebor's experience in mainstream primary education with Nexus' expertise in specialist education and SEND, creating opportunities to share expertise, strengthen inclusive practice and provide even better support for children. The aim is to build on what is already strong in our schools while creating new opportunities for the future. We will keep families updated as the final arrangements progress.

There will be no immediate changes to day-to-day school life, and importantly, our school will retain its name, leadership team, uniform and existing governance arrangements.

If you need any help, feel free to contact school.
